

# A Divine Child Intuitive Reading

## Who is the Divine Child?

The Divine Child is you! The Divine Child is the pure, wise energy inside us that guides us to our most happy, peaceful, loving and creative lives.

**How it works:** You pick a virtue card. I ask you some thought provoking questions. I then paint your energy in the form of colours and symbols that best express this virtue within you. Let this painting be a daily reminder of who you really are!
